

Remediation Plan - 2025

Remediation Plan

Accredited programs are required to submit a remediation plan if the average of the first-time board pass rate falls below 80% over a three-year period per Standard C2.1.

Instructions:

- Answer the questions below
- Click submit and notify the Executive Office at info@gceducation.org upon submission.

C2.1

Student Performance on the ABGC Certification Examination

Programs must annually document and evaluate the performance of their alumni on the ABGC board certification examination.

[Show More](#)

Have you submitted a Remediation Plan in the previous academic year?

Yes

Q-1B

Briefly describe the process the Program uses to review board scores including which partner groups contribute and how programmatic changes are made. Examples of those who should provide input include the advisory board, alumni, etc.

Q-2B

Please comment on the implementation of your previously submitted remediation plan (e.g., what has been implemented and what remains to be implemented) and briefly discuss the impact of the changes the Program has made thus far.

Q-3B

Does the program feel there are additional internal changes to be made moving forward to reach the 80% threshold? If so, what are they?

Q-4B

Please upload all previously submitted Remediation Plans.
